Empowering Through Employability

USING YOUR UL DEGREE

YOUR DEGREE IN INDUSTRIAL BIOCHEMISTRY...WHAT NEXT??

Careers open to you with a degree in Industrial Biochemistry

- [Biochemist](#)
- [Science, research and development](#)
- [Pharmaceutical and Biotechnology](#)
- [Science jobs in the public sector](#)

Is your degree eligible for teacher training?

You'll need to ensure your degree is eligible for the purposes of registration as a Post Primary teacher with the Teaching Council of Ireland. See the link below for specific subject requirements as set out by the Teaching Council

http://www.teachingcouncil.ie/_fileupload/Registration/Subject%20Criteria%20from%20January%202017.pdf

Other Career areas you might want to investigate*

- **Education** Lecturing; Academic Research
- **Health:** Medicine; Psychology, Social work, etc
- **Government:** Civil Service; Local Authorities
- **Business:** Finance, Law, IT etc
- Plus an infinite number of other jobs

*Postgraduate study and relevant work experience will almost certainly be required to specialise in many of these areas. Having an honours degree in any area can be a stepping stone towards a huge variety of careers. Contact us at www.ul.ie/careers if you want to find out more.

Going on to Further Study

Increasingly, biochemists look at postgraduate study as a means of specialising in a specific area to gain entry into occupations such as clinical biochemist, clinical microbiologist, or as a means of converting to a different subject area.

- [Postgraduate courses in Science and Engineering, UL](#)
